

**Tesco Bags of Help
WJS project
“Active & Adventurous Outdoors”
Wins £2,000**

Whitchurch CE Junior School won £2,000 in our bid for Tesco’s bags of help towards our project

‘Active and Adventurous Outdoors’

with the aim to keep our children fit, active and grow their confidence.

The school council recently held a democratic vote and almost unanimously children voted for the clamber stack.

We aim to have the new clamber stack installed in our play area by the end of January 2018.

Thank you to everyone who supported our bid!
